INVITATION

LET'S SING WITH A SWING

If you love to sing, come and take part in an exciting and energising workshop, guaranteed to get your feet tapping and your fingers clicking like they've never done before!

**Presented by Alexander L'Estrange
and Joanna Forbes L'Estrange**

An ability to sight read is not necessary since most work will be done 'by ear', focusing on communication, rhythm and having fun!

This workshop will give you the chance to experiment with aspects of performance including vocal techniques, style, blend, pronunciation, presentation and, of course, the all-important swing.
